WASHINGTON, DC - U.S. Rep. Michael A. Arcuri (NY-24) will be accepting applications for nominations to U.S. military service academies until Friday, October 16th, 2009.

"We are fortunate to have such talented and qualified young people throughout the 24th Congressional District who will shape our nation's future across many different fields," **Arcuri said**

"Our nation's elite military academies look for the best and brightest and I strongly encourage any student interested in applying to a military service academy to contact my office regarding the nomination process. Military service academies offer the opportunity to serve our great country, provide an outstanding education and prepare young people for successful lives."

Arcuri's Veterans Advisory Committee reviews student applications and conducts interviews before recommending students to Arcuri for nominations for admission to the U.S. Air Force Academy, U.S. Merchant Marine Academy, U.S. Military Academy, and U.S. Naval Academy.
